SALT LAKE CITY, UTAH

May 16th, 1922.

Honorable Board of Pardons
Of the State of Utah,
Salt Lake City, Utah.

Gentlemen:

In Re A. O. Frank, serving sentence
for grand larceny.

In view of the affidavit of Judge
Henry C. Lund, to which my attention has been
called, and inasmuch as A. O. Frank has a family
to support and, as I am informed, immediately
upon his release will be given a good position
with a local firm, and the fact that I believe
Mr. Frank has been taught a lesson, I am able
to recommend to your Honorable Board that a
parole in the near future be granted to Mr.
Frank.

While I would not recommend the term-
ination of the sentence, I can consistently re-
commend that he be paroled.

Respectfully yours,

County Attorney.
