Mr Blackett Clark

Dear Sir.

I am writing
you in regard to Wm Gribble, who
is seeking his release next month.
I have tried very hard for the last
fourteen months to support myself
and baby, but now have the addi-
tional care of my father who is
86 years of age, making it nearly
impossible for me to continue at
work. I am sure that Mr Gribble
is very repentant of the wrong he
has committed, and if released, will
become an honorable, law abiding
citizen. Hoping you will do any-
thing in your power to help him,
when the board meets in June,

2
I remain yours truly, with
deep gratitude,

Mrs Wm. J. Gribble
