

Mr Harvey H. Cluff

My Dear sir

I have written a letter to the  
Governor and Judge Truck  
concerning my son at the State  
prison telling them all about his  
condition and how he comes to be  
there it isent the truth that has  
got him <sup>there</sup> but having no sympathy  
by ~~us~~ no consideration whatever  
I have told them as plain as I can  
explained as clear as I could  
about his condition so I am asking  
you if you will please take this up  
with them and learn from them so  
I wont have to write all over again  
we do need him so bad this spring at  
home and I feel like he has been  
punished beyond reason and Mr  
Cluff if you knew the truth you  
would agree with me I know you

would I have told part of it in  
those letters I wrote and if they  
have them please get them and  
read them will you please grant  
me this request. My boy was  
denied his parole in Dec so he  
has no chance now till June him-  
less there is something I can do  
and they tell me there is so I am  
begging of you to let me know  
how I can do so I want to get  
him out at this next board meet-  
ing if there is any chance under  
the heavens so hoping and pray-  
ing that you will give this your  
kind attention and asking for your  
sympathy and respect for me  
and my son. begging for an early  
answer I will send you the letter I  
just recived from the Governor my  
address is there the long home and all  
Respectfully <sup>Yours</sup> W. W.
