Dear Sir

I thought I would write a letter to you regarding my Bro George Gardner which is prosecuted for the killing of Mr. Ervin and deputy sheriff Gordon could you kindly do something to spare his life for he hasnt been raised to be a murderer. our mother was a widow and she always taught us to do right and we always tried to do right and tried to do what we could to help our dear mother and he always tried to right with every one and our Brother George always staid at home and worked but since mother died my Brother has kind a stridaway from us girls but he has always been honest and true and has never done wrong before and he is the only Bro we love and we sure do feel very sorry and I know he must have
