

29 January 1925

Hon. Harvey H. Cluff,  
Secretary, State Board of Pardons,  
SALT LAKE CITY.

Dear Sir:

The State v A P Downing

This defendant on August 8, 1924, entered a plea of guilty to the charge of carnally knowing a female under the age of eighteen years, and on that day he was sentenced indeterminately.

On the facts as I know them I believe the Board of Pardons will be warranted in paroling the defendant to his father in Iowa at the coming March meeting. The father has written me to the effect that he has work for the boy there and that the boy has not been in trouble before.

Yours very respectfully,

*J. E. Evans*
