To The Honorable State Board of Pardons,
Salt Lake City, Utah.

Gentlemen:-

I am advised that Mr. Glen H. Learned is making application for a pardon or parole. I have been acquainted with the young man since his youth; knew of his career in High School and his early efforts in a business way, and considered him a model young man. He erred, intending to make full reparation. His error was, in the law, a crime. He plead guilty; his wife and girl need him. His aged father, one of our best citizens for thirty years, wishes him out. The public can use him as he is gifted in his work. He has suffered extremely and during his life must always face his error.

I consider your granting a pardon, an act of humanity as well as of justice. Am certain the public will benefit by this action on your part.

Very respectfully,

Glen R Bothwell

We also request the granting of the pardon.
