Attorney General,  
Board of Pardons,  
Capitol Bldg.,  
Salt Lake City, Utah.

Dear Sir:

I take the liberty of communicating in regard to Mr. Glen H. Learned, who is serving a term in the State Penitentiary for certain misappropriation of funds.

I have known Mr. Learned for between five and six years, and with the one exception, that being the above case, I have always considered Mr. Learned as being a rather unusual type of man, in as much as my observance gave me reasons to believe of his devotion to his family and in personal contact with him, have always found him sober and industrious.

I have never been able to find out just what possessed Mr. Learned to commit the act, upon which he was convicted, and honestly believe that a leason so young in life will be the means of his remaking. I am sure that Mr. Learned has suffered inwardly sufficient punishment to make this leason well learned, and in consideration of his wife and baby, who have been entirely dependent upon him, I sincerely trust that the Board of Pardons will give this case their every consideration.

Mrs. Learned, at the present time, is working for the support of herself and baby daughter, at the Schramm Johnson Drug Co.

Thanking you very kindly in advance for any consideration in the above, I beg to remain,

Very sincerely,

SII\*SJI
