

Thursday,  
August 16,  
1923.

Mr. Russell L. Tracy,  
Tracy Loan & Trust Company,  
151 South Main Street,  
City.

Dear Mr. Tracy;

In Re; Application Glenn H. Learned.  
for termination of sentence.

In my last conversation with you relative to the above matter I stated no steps of any kind would be taken until Learned had served the full time recommended by the Judge who sentenced him, Judge Ephraim Hanson.

I also stated to you I would take no action without notifying you of my intention to do so.

Learned was sentenced by Judge Hanson to an indeterminate term. Judge Hanson by letter recommended he serve one year. The sentence was imposed on the 16th. day of September 1922. The one year, then, will expire on September 16 1923.

I am advised the Board of Pardons will meet on the 21st. and 22nd. day of September 1923, at State Prison.

I am preparing and shall file at once an application for termination of sentence on behalf of Learned. This will be mailed to the Attorney General of this State and by him filed with the State Board of Pardons.

I think this letter is in full compliance with my statements to you,

Very Truly Yours,

H. J. Yummler
