

Salt Lake City, Utah, Feby. 12th 1923.

To The Honorable State Board of Pardons of
the State of Utah.

G. H. Learned

Gentlemen:-

Regarding the application of Mr G.H. Learned for a
pardon or parole; will say that ~~we~~ have well and favorably known
Mr Learned for a long time, and we fully believe that further detention
will not add to his punishment, that in his case the ends of justice
have been fully met, and think he should receive leniency and his
liberty, so that he may provide a living for his wife and child.

Very respectfully
