

UTAH STATE PRISON
SALT LAKE CITY,
UTAH.

three years and five months for grand larceny
with out a moments freedom, I wish the honorable
Board of Pardons to take notice that this sentence
was served in two states with out a chance to
make good, although my record has been good in
both places and I have a wife and two small
children dependant upon me, and if given
a chance would and could make good, being
a practical Electrical Engineer.

I was once convicted in Missouri on a
similar charge a number of years ago but I
never served time in the penitentiary before,
being paroled from the bench I made good.

I would like for this letter to be read in to
the records at the next meeting of the Hon Board
of Pardons Dec. 19 next.

Yours very Respt.
