

June 20 1924
Warden Devine

Dear Sir: I have made a request to be permitted to be present when my case is taken up by the State Board of Pardons and they have notified me to also let you know my wishes in the matter so that you could make arrangements for me to be present.

This is what I wanted to say to you in my letter to you two days ago asking for an interview.

Most truly yours

W. R. Ross
