

R. D. PINCOCK  
SHERIFF

Ogden, Utah

I took a little leave and then but not to overdo  
it. Being a married man and getting this sentence  
and winter coming on I hardly know what to do  
When I was taken to the City Jail after telling them  
my story at the desk they said they would hold <sup>me</sup> till morning  
and then I could go to the Government Hospital. But  
to no avail instead they gave me 60 days more. Now I  
can go to a military doctor here in the yard and be examined  
and if good will report every week as I can seek  
employment as soon as released. I am sure you will  
help me out in my time of need as it hurts my wife  
awful Bad. And hope you will grant me a pardon as  
soon as possible.

I remain yours truly

Fred W. Masten  
County Jail
