

R. D. PINCOCK
SHERIFF

Ogden, Utah

I took a little hue and there but not to overdo
it. Being a married man and getting this sentence
and winter coming on. I hardly know what to do
When I was taken to the City Jail after telling them
my story at the desk they said they would hold ^{me} till morning
and then I could go to the Government Hospital. But
do no avail instead they gave me 60 days more. Now I
can go to a military doctor here the yard and be examined
and if freed will report every week as I can seek
employment as soon as released. I am sure you will
help me out in my hour of need as it hurts my wife
awful Bad. And hope you will grant me a pardon as
soon as possible

I remain yours truly

Frank W. Mastin
County Jail
Ogden Utah.
