

March 2 1925
Honorable Supreme Justice Erick,
Salt Lake County, Utah.

Dear Sir:-

I am taking the liberty of writing
to you in behalf of my son William
Harrison who is in the state prison
on a forgery charge.

Please may I have a few minutes
of your precious time to state facts to you.
I have been contemplating writing to
you, but have hesitated until now
when it seems absolutely necessary.
His baby has been ill so much this
winter and she needs her daddy
so much and she loves him so.
