

His wife still only a girl has been
very poorly since the baby came.
She is so thin and frail and yet
she tries to work. She has to do
something or she would starve.
Her mother a widow woman
has nothing, and they are very
poor and Irene is trying so hard
to make a living for her self and
baby. She seems to get nothing
ahead because she is ill so
much. She wrote she was afraid
she would have to have an operation
but she did not see how she could
do it. She just worships her baby
and trying to do the best she can
