Friend Billy

I feel much  
better to day so will write  
a letter instead of a card.

I havent gone over to  
Ogden yet. But I will  
sure go to snowm.

We are very dear  
I pray will be as happy  
as can be expected.

I wrote Mother a very  
long letter the other  
day. Have you heard  
from her yet honey.
