

He gave me \$5.00 so I sent
to Emma yesterday.

I do hope I can get on job so
I can help you with all other out.

I say abe and the social plenty
will tell you all facts he
is coming over to see you and
soon and get his car.

I am disappointed when. But
I pray it won't be long before
we can get together & happy hearts may
be all about us. I don't know about Baby
but has been much better his teeth
again. Poor little darling.

Well dear I will stay, even
I am plenty rich. To my bed
Go good night dear, I will
write to you in a minute. I am
loving you & yours to me
every evening Baby.

Yours ever
I Baby
