Mr. J. E. Frick.
Salt Lake City,
Utah.

Dear Sir:

In regard to Thomas Davis I would appreciate it very much if you would intervene in his behalf & if it isn't possible to get him pardoned maybe he could be paroled.

I have never heard of him getting into any trouble before & I have an idea that he has probably learnt his lesson by now.

Trusting you will use your influence for the best, I remain

yours truly

Orbrey M. Evans.
