

our mother has been dead for
six years. A. W. Wilson was a
lad of a boy when his
mother died in humble Tex
A. W. has been a boy that
saw his little sisters and
Brothers and he got to where
He could not do for them as
he would like to and he told
me Henry is now going west
trying to find some place to
take my sisters so they will
have a chance to be ladies
and I did not want to go to
go but I told him if that is
your will A. W. you will
happen to go so now I will
thank you to do what you can
for us and him from
