

UTAH STATE PRISON,  
SALT LAKE CITY, UTAH.

Should I have been so fortunate as to realize an opportunity like this years ago, I assure you that it would not be necessary for me to plead for my liberty to-day.

Two of the men who were charged and convicted with me have been released I have been here since Oct 21st 1921.

If it is your desire & ambition as a member of the Hon' Board of Pardons to see another one of the "doubtful and undiscernable" make good Then Hon' Sir, I beg of you to favor me with your consent to my release upon the Dec' session.

Wishing you the best of health & prosperity to you & yours I beg to remain,

Very Respectfully

Lester G. White.
