

OFFICE OF
DAVID J. WILSON
COUNTY ATTORNEY
613 DAVID ECCLES BUILDING
OGDEN, UTAH
PHONE 803

Ogden, Utah February 26th, 1924.

Utah State Board of Pardons,
State Capitol,
Salt Lake City, Utah.

Gentlemen:

I respectfully recommend that the application
of Francis Bingham for a commutation of sentence be
granted.

Mr. Bingham is an industrious, hard-working,
clean young man, and I am of the opinion that his
violation of the traffic law was a bit of temporary
thoughtlessness rather than a deliberate attempt to
exceed the speed limit. The boy is working hard now
to accumulate means to carry him through college next
year and, in my opinion, is deserving of consideration.

Very respectfully yours,

David J. Wilson,

DAVID J. WILSON,
County Attorney for Weber County.
