

very thankful to you if you  
can do something for him  
as soon as possible as Tom  
not able to go out much longer.  
It is the first time Tommy  
has been away from home  
and has never been in any  
trouble before and the news  
of it has certainly broke me  
up. Trusting you will do  
me the favor and hear from  
you soon. I remain
