Mr Governor

Please excuse me for writing
you but my son

Wily E. Long is now serving
an indeterminate sentence
in your state at Salt Lake
City Utah

Now Mr Governor I have
no money to offer for us
can hardly get a cup to
eat But my heart tells me
you can help me to get
this wayward boy out and
send him home to help
us in our old age his
father is 66 and I am

so so you see we are to
old to do much work and
we are poor folks and
need this boy home to help
us and if you can do any
thing for us I pray you
in the name of our god
to have to help us in
our troubles

A heart broken mother
