

John Thomas & Board of Prisoners -

St. Lawrence - He appears to be

very certain named the same

confining in with the County Jail of  
the County or in St. Lawrence since  
during the year. Whether can be  
no doubt of the guilt - I have no  
no reason for saying any thing  
about it in order that it may be made  
to be less of the County.

Respectfully

Wm. M. M. M.
