Honorable Sir:- In being assured of a rehearing before the Honorable Board of Pardons, by the Governor, on the coming September session, I appeal to your honor for acknowledgment of the inclosed application for a rehearing, and beg leave to request for the return of my former application which I mailed to the Attorney General's office a few days ago asking for conditional termination of my sentence.

Trusting Sir, this matter receives your kind attention, and waiting for results I remain.

Very respectfully yours.
