1925.

Hon. H. H. Cluff,
Secretary,
Board of Pardons,
Building.

My dear Mr. Cluff:

I am transmitting herewith some letters regarding Robert Thomas Clarke, an inmate at the State Prison. I am assuming that Clarke has filed an application for clemency and that his case is coming up for consideration at the next meeting of the Board. In case no application has been filed, I shall appreciate it if you will so inform his father so that he may have opportunity to get some action in time for the case to receive consideration at the June meeting.

Very truly yours,

Oliver J. Grimes
Secretary.
