ST. LOUIS, MO., 6/27/28

Mr. James Devine

Warden Utah State Prison

My Dear Sir

I regret to learn of Robert T. Clark  
being a inmate of the prison.

This Boy worked for me in 1922 and  
a few months of 1923 as a Cab Driver  
for Yellow Cab Co of which I was  
Manager at that time. I had a strike  
But Robert was loaned to me. and Co  
I never knew of him being dishonest  
did not know of any bad habits he  
might of had. If any man breaks the  
law he should be punished. If his conduct  
is good or has been good, I would like  
to see the Boy returned back to his father as  
soon as you see fit. Yours Very Truly J. H. Wilson
