

No. 4321

June 2, 1924.

The Honorable Pardon Board.

Dear Sirs,

In regards to my case which was before the Pardon Board in March and was denied. I ask for a rehearing at the June Board on the following grounds.

The Distitute position of My Mother Sister and Sister's child

Who were deserted by My father (M. R. Jones), after I was convicted on a charge of having Liquor in my possession on December 11, 1923. At

Vernal City, Uinta County Utah. I ask for a termination because I have received word in letter form to inform me that I may receive a position in Wyoming at good pay and can support my Dependents there.

Hoping this meets your approval.

Respt. Yours. Lee P. Jones
