Salt Lake City Ut

if you see fit to grant me any consideration it is  
my intentions to go to Denver Colorado where I have  
the offer of a respectable home and a good job and  
where I can give my wife a good home

Incidentally

I have an over-seas record of 10 months and now hold  
my honorable discharge from the service of Uncle Sam,

Thanking you for your  
courtesy in reading this letter and with the sincere  
hope that it may have served to bring some  
extenuating facts before you I beg to remain

Very Respectfully yours
