Dear Sir,  
I just a moment with  
you this lovely California  
morning. To ask you to give  
Mr. Charles E. Snyder a  
chance to make good—  
as he has been in the past  
a good citizen. Until he  
made that one mistake  
I'm hurrying, to get this  
note off to day—  
Hastily Mr. E. Oades
