Dear Mr Kane

Just a few lines
to let you know I am
writing to the Warden
on your behalf. I am
very sorry to hear you
got into this trouble.
and hope when you
get out you will be
a different young man.
If you are paroled.

In June we have
a place for you to
work as soon as
you get here.

Please tell your
friend J. J. Long
to send another
letter like he send
my husband.

Hoping you will be
paroled in June.

Yours Resp
P. J. Castello
