

to help us out. You see my cousin has now 7
seven children and with my two makes thing very
hard. I have chance of getting better position
but I must help my children and I do hope
you will be so kind to me. It seems to
me that I am suffering more than he does, for
we are surely ~~suffering~~ where if he could give
me a little help I could get along very nicely.

I will close and wait to hear from you.
I hope you will do something, anything
will help me along.

please let me hear real soon
