the way she was I hurried
to call Sup. police station
and before I could get back
from calling up she left
her house and drove away
and came back and kicked
my door in and broke the
bolt off the door after I had
my wife to bolt it when I went
to call up and cut her with
in one inch of her life while
my wife was suffering from
rheumatism and could not
get out the way and she has
also threatened my wife and
said what she intended to
do when she got out. so I got
hold of one of her letters ^{and} put
it in the hands of Mr
Beckstead the chief of Detectives
