

Salt Lake City, Utah

May 27th 1925.

Attorney General Harvey H Cluff.

Dear Sir:

I am writing to ask you for a rehearing at the June meeting of the Board of Pardons.

I will be here two years in June, and my health is bad, Dr Allen tells me I have rheumatism, and leakage of the heart which can be proved by both Dr Allen and Warden Devine.

I have a brother in Laramie Wyo, that has promised to give me a good home.

The complaining witness in my case is now willing that I be given a chance on condition that I leave the State.

If you will kindly consider my case I will appreciate it very much.

Respectfully

Sadie Robinson

Utah State Prison.
