of one of her hands and I have
had her under Doctors treatment
almost continually ever since
she was hurt.

When this sister Sadie Robinson
jumped on her and beat her up
and came back again with a
butcher knife and broke my door
in without any provocation and
cut her up and left her for dead
she could not run or get out of
her own way, as she has been
down with rheumatism for
about a year and she only weighed
about 90 lbs at the time.
I will ask you please not for my
sake but for God's sake keep her
there as she is no sort of a person
to be at large; even the policemen
seem to fear her as she has an
awful bad record.
About 3 years ago she shot at one
of the county sheriffs; and later
