

4

P.S. I would like to mention this: in case of her getting out without me knowing it, that she be treated just the same as Bessie Dyer, Roy Armstrong or others: not to be allowed to stop in the state, but board a train and be on her way, because she is not fit to be in the community.

If necessary Mr. Devine would like to have this shown to the board of pardons.

My wife's name is Fannie Burgess.
