

*Geo. V. Clark*

March 14, 1924.

Mrs. Louise Clark,  
Pasco, Wyo.

Dear Madam:

In reply to your letter of the 8th instant, be advised that the records at the Utah State Prison, do not contain the name of George R. Clark. There is, however a Geo. V. Clark who was sentenced May 23, 1923, in Ogden, Utah for burglary and whose application for termination will be considered at the Board of Pardons meeting held March 21st. It may be possible that he was convicted under another name, or that he changed his initials. If it possible for you to obtain further information concerning his case, we would suggest that you do so and then take the matter up with the State Prison direct, inasmuch as they have the records. A letter addressed to the Utah State Prison, Salt Lake City, will reach the proper authorities.

Very truly yours,

N.
