Attorney General Harvey M. Cluff,  
Salt Lake City, Utah

My Dear Sir:

This letter is written in the interest of  
George V. Clark, who will appear before the  
State Board of Pardons, requesting release  
from the Utah State Penitentiary.

I have written to George regularly during the  
past year, and am confident, that he has done a  
lot of serious thinking, and feel he has achieved  
the end I had hoped for - a determination to do  
what is right - a sense of his responsibility toward  
society in general, and a sense of balance, which  
I believe, is what he lacked before.

I know him to be capable of earning his way  
and feel that if he can be released now he will  
have time to earn enough to finish High School  
next year - This is his ambition - to graduate  
next year - but he must have a little time to  
work and save - and have sufficient funds
