

seriousness of his offense & know  
he has truly repented his wrong doing  
and has a big desire to begin life  
anew, as his mother my whole  
heart and soul goes out to my poor  
unfortunate boy for an opportunity  
to help him to guide<sup>him</sup> to share with  
him a home, my conditions in health  
and finances are such that I can't  
live in Utah, the small sum of  
10.00 I am monthly receiving from  
the State here for my little son 12  
years old is a consideration, for we  
are practically reduced down to charity  
help in account of my poor health  
to aid myself & child, no need to  
add we have not the necessities  
to live on, George my boy has  
expressed a big desire to come here  
and help lift my heavy burdens.  
Dear Governor will you help my  
boy to this chance, to parole him  
here to me, I have faith in  
my boy that he will go straight,  
that he will now live to make
