State Board of Prison  
Directors Salt Lake City, Utah.

Justice Valentine Giesler  
Dear Sir:

I am writing you in behalf  
of my son George McDonald whose  
case comes before your Board this  
month. And as his mother I  
pray you to give him back his  
freedom for I am sure he  
will make amends and  
become a useful citizen.

His letters to me show true  
repentance and a great desire  
to begin life anew. He is only  
a boy, and the loss of his freedom  
and the humiliation <sup>of being sent to prison</sup> has I am  
sure served every purpose that  
punishment can serve.

My great desire is to have my  
boy come to me, I will give  
his transportation, as his mother
