

Q

You know my wife's condition
-when I came up here she is
just on her last strength of
normal mind. She has bin
carried in from the States
to 2 or 3 times in a row
and probed and probed
and if you know men so fit
to let me go and support my
wife and babe under any con-
ditions. I know there is plenty of work
for me the day I leave here.
and I must be a private your
permission to let me on probate
before I came up here. and I
going to show the citizens of
Salt Lake and Brigham City
that are signing in petitions
and personal letters for me
that I'm still true blue
