UTAH STATE PRISON
SALT LAKE CITY,
UTAH.

Hon. Judge Geo. Christensen

Sir: In reply to your letter, which I greatly received. I sure appreciate your attitude in my case. I do not understand it myself. It seems to me if you do not have any one to act in their behalf when they go before the board they will have to stay here sometime. You stated in your last letter when I was before the June board a pardon that was an outright I believe you merit a termination. But when you come to Salt Lake City. You will do me a great favor by coming up for an interview in person. Then I can tell you what I wish to, then you can see for yourself.
