ATTORNEY AT LAW
PRICE, UTAH

May 28, 1925.

Mr. Byron G. Foss,
Utah State Prison,
Salt Lake City, Utah.

Dear Sir:

Your letter of May 23rd. received.
I am quite certain the Board will follow the recommendation of the Court in your case.

As far as my acquaintance with you it has been since you were charged with the offense for which you are now being confined. If your conduct has been such as would justify the Board of Pardons in acting favorably upon your application, I am certain that your conduct here since you have been charged would merit favorable consideration.

My kind personal regards.

Yours truly,

B. W. Dalton
