AT CHAMBERS

June 16th,
1925.

Honorable State Board of Pardons,
Salt Lake City, Utah.

Gentlemen:

At the request of the defendant in the case of the State of Utah -vs- Byron G. Foss, I take the liberty herewith to submit to your Honorable Board that the period of incarceration which I recommended in my report to you in said case dated January 12th, 1925, will practically have expired when the application of said defendant will be heard by you on next Saturday, and I have therefore no objections to the granting of said application, provided of course that the conduct of the said defendant has been proper and commendable as he assures me that it has.

Respectfully yours,

George Christensen

District Judge.
