

R. D. PINCOCK
SHERIFF

Ogden, Utah

the first time I have ever been in any kind of trouble and am sure it will be the last.

I know if you will write to sheriff Pincock, he will verify my statement. As I have a perfect record here in the jail and have did every thing I could to abide by the rules and regulations. But my family needs me badly this winter and if you will please try and let me out on some condition I will prove to you state and public that I can and will be a law abiding citizen, and return to Ogden to my wife and children.

If you have ~~and~~ any doubt as to my veracity, I will refer you to my wife Mrs Bennett of Ogden Utah her husband is the Methodist Minister here.
