OFFICE OF  
D. R. ROBERTS  
JUDGE OF THE CITY COURT

Sep. 12-1923.

TO THE HONOURABLE  
STATE BOARD OF PARDONS,  
Salt Lake City, Utah.

Gentlemen:

In:re Harry Dimmick and  
Morton Reed.

In reply to your inquiry for information relating to the case in the City Court against the above named defendants, will say; The defendant appeared in the City Court on the morning of July 23- and both pleaded guilty to the charge of issuing a fictitious check or rather passing such a check on one of the business houses in this City. The Check was purely fictitious and they told several different stories about it. They were transients looking for easy money and appeared to be in that kind of business, and were given the six month jail penalty each. I have no recommendation to make in these cases.

Trusting this will be satisfactory, I am

Respectfully yours,

*D. R. Roberts*  
Judge of the City Court.
