Juste receive your letter
today in regard to extend
credit to your family
I'll like to do that but
the way that I'll understand

you know that you got
a good size of family
if I'll give you something
on credit it take you
to long before you
can pay us. so do not
depend on me tel your
wife to go to some other
store.

hope that it wount interfere
with our friendship but we
cant do that in such a condition
